

PŘEDÁVÁNÍ BETLÉMSKÉHO SVĚTLA

a ŽIVÝ BETLÉM

A wooden sculpture of the Nativity scene. Mary is seated in the center, holding the infant Jesus. Joseph stands to the left, leaning on a staff. Three shepherds are on the left, and three wise men are on the right. Two oxen and two donkeys are in the foreground. The background is a simple wooden structure with a star on top.

A decorative graphic featuring several blue and white snowflakes of various sizes and patterns, scattered across a light blue background.

Hostem večera budou páter Jiří Špiřík a farářka Ludmila Míchalová Mikšíková. Přijďte si poslechnout a zazpívat koledy k živému betlému a podívat se **na výstavu betlémů uvnitř budovy.**
